

REMARKS

With the above amendments, the specification has been amended to incorporate the International and Japanese priority applications by reference, as well as make minor changes to the specification. A substitute specification in compliance with 37 C.F.R. 1.125 is attached. The attached substitute specification contains no new matter. The claims have been amended to delete multiple dependency and place them in better form for examination.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicants.

Respectfully submitted,

GRiffin & Szipl, P.C.
